SUPER STAKE ACTIVATION

Add a 50% fee to your main bet to reveal 2-6 Golden Cards per round, unlocking massive win potential.

ENHANCED CLASSIC PLAY

Built on the familiar foundation of Blackjack—7-seat tables, dealer stands on 17, and standard payouts apply when no multipliers match.

GOLDEN CARD MULTIPLIERS

Enjoy a dynamic range of multipliers—2x, 3x, 4x, 5x, 6x, 8x, 10x, 12x, 15x, 25x, and 50x—that can boost your initial bet winnings up to 100x.

MULTIPLIER RULES

Only the initial two cards are eligible for a multiplier - not the bets placed on Double, Split, or Insurance. If none of the player's initial two cards match any Golden Card, standard Blackjack payouts apply.
