EUROPEAN ROULETTE WHEEL

Single-Zero European Roulette, with 37 numbers (0-36).

BONUS NUMBERS

Land on a special bonus number to instantly boost your winnings, thanks to the multiplier assigned to that number. Silver numbers are always in play however Super Stake needs to be turned for Gold Numbers to be active.

MONEY WHEEL

Trigger the Money Wheel round by hitting a number with a Gold Money Wheel symbol. The wheel features 54 segments offering multipliers from 50x up to a staggering 5,000x.

BETTING OPTIONS

All bets pay as standard roulette except the Straight Up Bet which pays 29:1. Raise the stakes with Super Stake Bets, unlocking the Gold symbols for bigger payouts and heightened excitement.

SILVER/GOLD NUMBERS

Keep an eye out for up to five Silver and five Gold numbers after bets close. Activate Super Stake to unlock the Gold numbers. Multipliers range from 50x to 750x for Silver Symbols and 100x to 1000x for Gold Symbols.

BUY BONUS FEATURE

Bet on the winning number being Silver (x9 your bet), Gold (x22 your bet), or Silver & Gold (x31 your bet). If the ball lands on a special Bonus Number that matches the colour that you bet on, then you win!
