When players enter the feature, the wheel spins to reveal their reward. Players can land multipliers ranging from 10x up to 200x, or trigger one of three bonus games: Vegas Hold 'n' Spin, Vegas Diamonds, or Vegas Drops.

Vegas Hold n' Spin

Start with 3 exciting re-spins and aim to keep your wins rolling! The fun continues until you either experience three consecutive losing spins or fill the entire grid. With multipliers reaching up to 100x and a max multiplier cap of 5,000x, it's a dazzling spin-and-win experience!

VEGAS DIAMONDS

Collect game show host symbols to amplify your winnings dramatically, with multipliers reaching up to 100x and a max multiplier cap of 5,000x! Watch out for extra spins and more game show hosts. There are no limits on re-triggers, making this bonus game even more rewarding.

VEGAS DROPS

Enter this thrilling round and chase big multipliers of up to 200x and a max multiplier cap of 5,000x. With opportunities for re-triggers, it promises non-stop action. Enjoy the vibrant thrills of Las Vegas right on your screen!

The Super Wheel feature integrates seamlessly within slots and requires no additional operational effort.
